**MEMORANDUM OPINION**

On March 4, 2020, the magistrate judge entered a Report and Recommendation, (doc. 13), recommending that the petition for writ of habeas corpus be dismissed without prejudice to allow Mr. Dunnnavant to exhaust his state court remedies. Although the magistrate judge advised Mr. Dunnnavant of his right to file specific written objections within fourteen (14) days, no objections have been received by the court.

Having carefully reviewed and considered *de novo* all the materials in the court file, including the report and recommendation, the court **ADOPTS** the magistrate judge's report and **ACCEPTS** his recommendation. A separate Order will be entered.

**DONE** and **ORDERED** this June 9, 2020.
